

Intercollegiate Basic Surgical Skills (BSS) Course

**Approved by the Royal College of Surgeons of
England**

DATES TBC 2021

Course fee £600

This 2 day course is designed to provide an introduction to safe surgical practice within a controlled workshop environment. It covers:

- ☐ Open surgery
- ☐ Wound management
- ☐ Electro-surgery
- ☐ Endoscopic surgery

Features include:

- ☐ Intensive hands-on practice of basic skills
- ☐ Individual tuition, with a maximum of 18 participants per course
- ☐ Personal feedback on performance, with advice for further practice
- ☐ A detailed course manual and course video

Attendance at a Basic Surgical Skills (BSS) course is a requirement for all surgical trainees who take up their first surgical appointment in or after August 1996; it is also strongly recommended that the course be undertaken as early as possible in their basic training. The course has been agreed on an intercollegiate basis and trainees who complete the course will be issued with Certification that will be reciprocally recognised by all four Royal Surgical Colleges.
